Qualifications

- PhD in Public Health, Flinders University, 2008
- B.A. (Hons in Sociology), University of Tasmania, 1995
- B.A. Social Science (Psychology, Sociology), Flinders University, 1992
- Graduate Certificate in Health (Health Service Management), Flinders University, 2002
- Train the Trainer certificate, Hobart TAFE, 1996
- Diploma of French Language Studies (DELF), Catholic University of Lyon 2011

Biography

Samantha Battams has over 27 years' experience in the public health and community service sectors, in policy development and analysis, strategic planning, project and program management, community development, research and evaluation, consulting and tertiary education. She has completed consultancy assignments in Australia and Switzerland, for state and national governments and NGOs.

Samantha is currently Senior Research Fellow at the Southgate Institute of Health, Society and Equity at Flinders University where she also has full academic status as Associate Professor. She is also Policy Implementation Officer at the Department for Education, SA government. She was recently Director (Research and Evaluation) at Health Outcomes International (2016-2019) where she was previously Associate Director and Senior Consultant.

Samantha was previously Associate Professor and inaugural Public Health Program Director at Torrens University (2014-2016). Prior to this she was Course Director for the inaugural 'Global Health: An Interdisciplinary Overview' Massive Open Online Course (MOOC) at the University of Geneva (2013) and Research Fellow on the Global Health Europe Platform (The Graduate Institute, Geneva, 2011-2013)

Prior to this she was Senior Research Fellow/Consultant at the National Centre for Education and Training on Addiction at Flinders University (2012-13). From 2003-2010 she worked as Research Fellow, Lecturer and Project Manager at Flinders University (Southgate Institute, National Centre for Education and Training on Addiction, and Discipline of Public Health).

Samantha has board experience and spent 5 years as Panel Assessor on the District Court of South Australia, hearing appeals under the Mental Health and Guardianship Acts (Governor appointed). She was also a community member on the Occupational Therapy Board of SA (Governor appointed) and on University Council (Flinders University), Academic Council (Torrens University) and the policy sub-committee of the Carers Association of SA.

	<p>Prior to entering academia, Samantha worked in program management, strategic planning and community development in the health and community service sectors (1993-2003). This included 7 years with general practice organisations and roles in health service integration (hospital-general practice service agreements, shared mental health care, outcomes-based funding), community liaison, research and grant development.</p> <p>For the past 10 years, Samantha also has been researching and writing in the field of history and has authored two non-fiction historical books (2019), along with journal articles and publications in this field.</p>
<p>Professional Memberships</p>	<p>Current:</p> <ul style="list-style-type: none"> • Member, SA Writers, Sisters in Crime Australia, convenor Sisters in Crime SA, Crime Writers Australia, The Crime Writers' Association, Chooks SA <p>Previous:</p> <ul style="list-style-type: none"> • Public Health Association of Australia - Mental Health Special Interest group co-convenor (2017-2019), member Mental Health SIG Executive (2014-2019 and 2004-2008), member Political Economy of Health SIG (2014-2019) • Australasian Evaluation Society, Member (2017-8) • Council of Academic Public Health Institutes of Australia (CAPHIA) TUA representative, Heads of Departments meeting (2015-2016)
